AT A GLANCE

A plain-language summary — the full text below is what legally applies.

- Market and IPO information on lsnep.com is for information only and may be delayed or incomplete.
- Nothing here is investment, tax or legal advice, or a recommendation to buy, sell or apply.
- Apply for public issues only through Meroshare or your ASBA bank. LSNEP never takes applications or money.
- Confirm figures with official sources before you act.

1. Live market data

1.1 NEPSE prices, indices, turnover, movers, sector figures and broker activity on lsnep.com come from a third-party data feed and are refreshed at intervals. They may be delayed, incomplete or temporarily unavailable.

1.2 When a figure is unavailable we say so rather than estimate it. Broker activity is derived from the public floorsheet and is not a recommendation about any broker.

1.3 Do not rely on lsnep.com for trading decisions. Use your broker's trading system and official NEPSE sources for live prices.

2. IPO and share-issue calendar

2.1 The calendar of IPOs, FPOs, rights shares, mutual funds, debentures and auctions is curated from public notices and may lag official announcements. Opening and closing times, units, prices, eligibility and ratings can change.

2.2 LSNEP does not accept applications or payments. Apply only through Meroshare or your ASBA bank, and confirm every detail in the issuer's official notice and on Meroshare before applying. Check results only on Meroshare or CDSC's result site.

3. Calculators and tools

3.1 Brokerage, breakeven, capital gains tax, average cost, position size, bonus and right adjustment, margin LTV and readiness tools give estimates based on the rules and rates shown on each tool, as we understand them on the date stated.

3.2 Fees, tax rates and market rules change, and your own situation may differ. The results are not tax or financial advice.

4. No advice and no offer

4.1 Nothing on lsnep.com is investment, tax, legal or financial advice, or an offer or solicitation to buy or sell any security. Lacspace is not a broker, investment adviser or portfolio manager.

4.2 Past market performance shown anywhere on the Site does not indicate future results.

5. Third-party sources

5.1 References to NEPSE, SEBON, CDSC, Meroshare, issuers and other organisations are for information. Those organisations do not endorse LSNEP, and their official publications prevail over anything shown on lsnep.com.

6. Liability

6.1 To the extent the law allows, Lacspace is not liable for any loss from reliance on market data, issue information or calculator results on the Site. See our Terms of Use .
